About the programs – general information

Junior Chess Club (JCC) – 1:00pm to 2:30pm

- Multiple groups catering for Beginners to Advanced students.
- Experienced, Engaging, Fun Expert Coaches
- Training for enjoyment and rapid improvement
- Focus on tactics training

The Northern Star Chess Sunday program has been specifically designed to develop the 3 most important brain skills for long term chess progress:

1. **Mental Discipline**, the willingness to be patient, careful and thoughtful
2. **Forward calculation**, visualising and assessing positions a few moves ahead
3. **Pattern recognition**, to improve instincts and subconsciously recognise opportunities and the right moment to pause and calculate.

Junior Tournament Squad (JTS) – 2:30pm to 4pm approx

- This program is conducted exclusively on site. The JTS program is most beneficial to the students when delivered face-to-face.
- Open to NSC Sunday Junior Chess Club participants as an extension program. (external students also welcome)
- Suited to young chess players whose skills are progressing and who wish to learn to play in chess tournaments over longer time limits

What:	Why?
<ul style="list-style-type: none">• Expert chess tournament training and advice on chess tournament performance• A Junior Tournament Squad Event of 9 rounds during the term• Time control is 25 mins per player plus 10 seconds added each move.• Players record their games on a score sheet• Opportunities to have games analysed with a coach• Chess puzzle training available as players finish their first games and waiting for the next round.	<ul style="list-style-type: none">• Experience full tournament conditions and recording moves• Get more out of your brain by playing over longer time limits• Learn Mental Discipline and Impulse Control at the chess board• Learn to recognise the right time to pause and calculate• Learn the art of taking calculated risks• Develop important habits of mind by engaging in chess tournament play.
